**RULES & PRECAUTIONS**

Minimum impact use is in everybody’s best interest. To achieve this, we recommend the following practices:

- Stay on designated trails
- Pack it in / pack it out
- Leave what you find
- Respect private property
- Use fire responsibly
- Be considerate of fellow trail users
- December through February is wet season. Water often stands in the bottomland areas of the forest. **Wear sturdy shoes that will withstand the damp conditions.**
- September through December is big-game hunting season. Wear bright orange or other brightly visible clothing on the trail.
- Potable water can be located at the Sedalia Campground. **Carry water, there is no water on the trail.**
- Primitive camping is allowed on the trail with a US Forest Service permit. Contact the Forest Service to obtain this free permit.
- Fishing is allowed in Macedonia, Sedalia, and Johns Creek lakes. These lakes are located between trail miles 30.5 and 34.5 near Old Buncombe Road. **A valid SC Fishing license is required.**
- The Buncombe Horse Trail section is the only part of the passage that allows Equestrian usage. The section begins at the pipeline corridor (mile 4.2) to the Brickhouse Recreation Area (mile 14.3). **Watch for the Blue blazes.**
- The trail is marked with a single vertical Yellow blaze. **Two vertical Yellow blazes are used when the trail changes direction.**
